Election of Officers: there had been no resignations during the year and all agreed for a block vote to be taken – all officers voted back in unanimously

Air Ambulance donation (currently £100): voted to continue this at the same level

Best sporting youth: agreed to look at this again at our Nov meeting – one name put forward

2009 NKTC Club subs (currently £50): voted to continue this at the same level

Review Combine entry fees (currently £15 Adult, £13 Youth, £20 on the day): voted to continue this at the same level

Proposals received prior to the AGM: none

Proposals from club members present: some riders may occasionally come into the NKTC competition at a lower level than their ability and may move up during the year until they find the correct class to compete in. The question was raised that if this happens should the points that they have accumulated and then left behind in the lower classes, be re-allocated to the riders who had effectively lost them in their championship class. As this is not a common occurrence and we do not have a requirement for riders to sign up to our championships we will monitor it. Aggregates for NKTC are computerized and therefore easy to 're-allocate' and it will be looked at once the championship is complete for 2009 to see if this makes a material difference. This can be discussed during the year and voted on at 2010 AGM if necessary.

Any other urgent business: Expert trophy may need replacing, will bring to Nov meeting.

Date of 2010 AGM Thursday 14th October 2010, start time 8.30pm

Meeting closed 21:23pm
