

NORTH KENT TRIALS COMBINE MEETING HELD 18th March 2010

www.nktc.org.uk

Clubs Present: Bexleyheath, Double Five, Erith, Gravesend and Sidcup. (5 clubs with 10 delegates present)

Chair: Colin Mote

Secretary: Steve Westley

Apologies for absence: Peter Burton, Rob Fleet and Dennis Wakeman were accepted

Minutes of Last Meeting: Accepted without change

Matters arising from those minutes: None

March 14th trial Round 2: Wickham ran the event at Sandfields Farm with Gravesend providing the NKTC Steward – the Stewards report was read out – the event started on time with 60 competitors signed on – 52 in the programme, 4 non-starters & 12 entries on the day. All the routes were clearly marked with deviations marked at start of section. No protests or complaints were aired on the day and no real queuing apart from section 1 lap 1. All in all a very well organised event enjoyed by all. Comment from those present confirmed that it was a good event.

April 11th trial Round 3: Kent Youth not able to host event – NKTC in conjunction with Wickham to run it at Whitepost Farm – regs will be in March TSM all ok. Note Kent Youth riders will not be able to ride in this event and will need to offer their services as observers. Details are on the website. Wickham club are to provide the NKTC Steward.

May 9th trial – NKTC Team Trial: This will take place at Chads Farm with Dave Plumb as the Clerk of Course. Regs in April TSM and full detail for teams on website, use website for all paperwork to keep envelopes to a minimum.

Jun 13th Erith Round 4: confirmed all ok and to run at Horsmonden, Kent Youth to provide the NKTC Steward.

SE Centre Funding report: The SE Centre Treasurer has published a report on the future funding problem and what we may need to do about it. Each sporting combine needs to discuss and report back with constructive comment at the next management meeting in May. Our discussion will be at our trial combine meeting on the 20th April. This was briefly discussed and it was felt that we needed to know where funds currently come from and where they are spent plus how much are we talking about – would be useful to have a flow chart type diagram. Ask the Treasurer to attend to present info and field questions from clubs attending. Secretary asked to contact him. *Note RB contacted and he has put the date in his diary and will bring the information with him.*

Any other urgent business: None
