[www.nktc.org.uk](http://www.nktc.org.uk)

**Clubs Present:** Bexleyheath, Double Five, Erith, Owls, Sidcup and Wickham. (6 clubs with 8 delegates present)

**Chair:** Colin Mote                      **Secretary:** Dick Dickenson

**Apologies for absence:** Peter Burton, Steve Westley and Denis Wakeman were accepted.

**Minutes of Last Meeting:** Accepted without change.

**Matters arising from those minutes:** All clubs in the NKTC have the facility to use the website for their programme, directions and results which will reduce the workload for the Secretary, the website can also be used for any information concerning the trial. The SE Trials website can be used by any SE Club in the same way for their Centre events.

**April 12th trial Round 3:** NKTC ran the event at Rotherfield Station with the Steward provided by the Wickham club. Prior to the start the 2008 awards were presented to the winners by Mr. Gordon Davis our President. Final entry of 57 riders who rode 4 laps of 10 sections, start was delayed slightly for the awards ceremony. Course was slippery but not impossible with well laid out sections with good route marking that was easy to follow. All sections were manned by experienced observers which helped to keep things moving and everybody seemed happy with this competitive trial – well done all involved. Comment from those present said it was a good trial and the Clerk of the Course did a good job plus we saw him 5 or 6 times keeping an eye on things.

**May 10th trial Round 4:** Owls club confirmed all ok and Kent Youth are to provide the Steward.

**June 14th trial Round 5:** Erith club confirmed all ok and Owls are to provide the Steward

**AOB:** need to ensure that Matt Godden KYTC is aware that he needs to help at a NKTC event later this year as he rode in last month's trial rather than observe.

Question about the lost Gravesend trial, will there be a replacement ?

**INFO;** Kent Youth and Wickham clubs are running the final round of the 2009 British Trials Championship on the 27th September and Observers/Marshals/Helpers are needed contact Andy Hogg or Steve Westley.
