

NORTH KENT TRIALS COMBINE MEETING HELD 13th March 2008

www.nktc.org.uk

Clubs Present: Bexleyheath, Double Five, Erith, Kent & Sussex, Owls, Sidcup. (6 clubs with 8 members present)

Chair: Colin Mote **Secretary:** Steve Westley

Apologies for absence: Peter Burton was accepted

Minutes of Last Meeting: Ok

Matters arising from those minutes: To avoid a problem with having more sections than the permit states consider specifying more than you need, this allows you to cut down on the day. Ask for 4 or 3 laps of 10 to 15 sections.

March 9th Trial Wickham round 2: Trial took place at Cowden. No Stewards report available at the meeting, will address any issues next month. Those present said that the Novice route was ok but the Intermediate was probably too hard.

Apr 13th Trial 96TC round 3: Ok at Rotherfield and we will be presenting the 2007 awards before the trial. Note to go in the TSM with the final aggregates. Wickham to provide the Steward.

May 11th Trial Owls round 4: All ok and at Penshurst, 96TC to provide the Steward.

Info from recent SE Centre Management Meeting: A new system of CRB checking is being introduced by the Government and it is likely that the main officials at Trials will need to be checked. More detail as it is published. There is a revised 2 page risk assessment form that the Clerk of the Course needs to complete and it should be coming out with the permit packs from now.

AOB: the NKTC needs two trophies to cover the 2 new classes introduced for 2007. Brian Hodges agreed to provide the Youth Expert and Double Five will provide the cost for the Intermediate B trophy

There being no further business the meeting closed 21.56pm
