Matters arising from those minutes: None.

August 9th trial Round 7: Bexleyheath ran the event at Knowle Farm, Burwash and the Stewards report was read out: - the event started on time with 46 starters directed to 2 sections to compete over 3 laps of 13 sections, with all competitors scrutineered at the start. All sections manned at the beginning and the trial was set out well to combine standard with the Clerk of the Course using a mix of different sections and familiar ones with a different twist. All riders spoken to for each class said it was a very well organised event. Comment from those present confirmed that it was a good trial.

October 11th trial Round 9: Kent & Sussex to be held at Hourne Farm and confirmed all ok, SW to help as Secretary, Bexleyheath to provide the Steward.

November 1st trial Round 10: Sidcup to be held at Canada Heights and confirmed all ok, Kent & Sussex to provide the Steward.

Proposals for SE Trials AGM: second proposal has been received from an East Kent club to add Intermediate B and Expert B same as we run in our NKTC events to cater for those in between the classes. Also to introduce an Over 50 B, this is the same as Intermediate B but for the Over 50 class. Discussion took place.

Proposals for NKTC AGM: no proposals received.

Any other urgent business: discussion on riders changing classes during the season and should their points get reallocated. CM to put something in writing if rule changes could be needed.
