

NORTH KENT TRIALS COMBINE MEETING HELD 18th October 2007.

www.nktc.org.uk

Clubs Present: Bexleyheath, Double Five, Erith, Kent & Sussex, Kent Youth, Owls, Sidcup. (7 clubs with 12 members present)

Chair: Colin Mote

Apologies for absence: Peter Burton was accepted

Minutes of Last Meeting: Ok

Matters Arising from those minutes: None

October 14th Trial Kent & Sussex round 8: Took place at Hourne Farm, 72 starters with 6 non starters, a well organised event with most riders confirming a good choice of sections. Route between sections clearly marked. Trials club secretaries need to keep membership cards up to date to avoid delay at signing on. 3 laps of 14 sections, event started at 10.35 with a minutes silence for Mick Bridger. Riders present agreed it was a good trial. Rider survey confirmed this but comments about the positioning of the start at one section that needs moving in future trials.

November 4th Trial Sidcup round 9: ok and at Canada Heights, Kent & Sussex to provide the Steward.

December 9th Trial 96 TC round 10: should be ok at Rotherfield, Sidcup to provide the Steward.

SE Centre Trials Combine rules update: The combine voted in the rule updates at the EGM. The AGM is to be held on the 7th Nov after the dates meeting.

Any other business: Agreed that online rider feedback to be published on the NKTC website once the NKTC meeting has taken place, rider numbers will not be included so that riders are not identified.

We will consider setting up a 'Task Force' of NKTC helpers who are able to help clubs with the admin and setting out of trials if a member club has a problem. The Erith club may have a problem with observers at their event.

No further business meeting closed 22.50pm
