Comments: The Expert B route was absolutely spot on.

This was one of the best trials I have ridden in the last two/three years even though I personally did not ride well. The route was hard but in no way dangerous but very testing and physical!!! .

All sections were rideable and cleanable (no hopping req)..... The mix of expert sections was great...again nothing silly and ALL were cleanable.

I just hope other clubs take note that you don't need severity or super tight turns to make sections hard.

This was an excellent, excellent trial and Clerk of the Course Andy Hogg and others who helped deserve huge praise.....well done.

Comments: The trial was thoroughly enjoyable and the sections were very good. The only criticism I would have would be section 10 as this was particularly hard, but other than that it was a very enjoyable trial.

Comments: An excellent trial, well laid out for the Novices, enough there to take marks but importantly nothing dangerous and no big drop off's into a section. Well done Kent Youth.
