Comments: It was a very good trial, good selection of section. I think Derek made a good choice to change section number 10 as only one person got up the step. Well done to Derek and his team.

Comments: The trial was very good with a very good selection of intermediate sections for the inter b's to ride.

Comments: The trial was too easy for me, but for many of the intermediate riders it was just right. All the sections were very good, however I think that section 13 for the intermediates was slightly dangerous.

Comments: One of the best organised events of the year. Including:

Great admin (ie no huge queues at signing on desk due to all the 'on the day boys').

Starting at sections 1 & 8 = less queues. Great sections.

Minute's silence for Mick Bridger. Thanks Kent & Sussex

Comments: mostly blue sections with a few reds, if there had only been five blue sections as per guidelines it would have been too easy. well done excellent trial

Comments: Great trial overall and thanks to the workers and behind the scenes people. My one reservation was at S13. This was a bit dangerous, there was an 8ft drop to the RHS after the 1st turn in the section and anyone getting this a bit wrong over some slippery roots might have gone off the drop and possibly onto a person waiting to start the section. Quite a few other riders mentioned this without prompting.
